

3 BEDS

1580 SQFT

2 BATHROOMS

An extremely well-maintained single-family home built in 2020, offers approximately 1,580 square feet of living space with three bedrooms and two bathrooms. The property features stainless steel appliances, providing a modern and functional kitchen. The recently covered patio allows for outdoor enjoyment and entertainment, while the lack of carpeting throughout the home creates a clean, low-maintenance environment. The primary bedroom is a spacious retreat, providing ample room for comfortable furnishings and personal belongings. The en-suite bathroom offers privacy and convenience. The two additional bedrooms are well-proportioned, offering flexibility for use as guest rooms, home offices, or additional living spaces. The open floor plan promotes a sense of flow and connectivity between the living areas, making the home feel bright, airy, and welcoming. The absence of carpeting throughout the main living spaces contributes to a refreshing and easy-to-maintain aesthetic....
